## BACK TO SCHOOL SAFETY

With students back in school, vehicle and pedestrian traffic has increased across the City. As the safety of all pedestrians is of utmost importance, we ask that everyone please drive carefully and always remember to:

- Stay alert around school buses and in school safety zones.
- Obey proper rules at crossing guard locations and only proceed when crossing guards and pedestrians have completely crossed the road.
- Always be alert and aware of pedestrians - drive slowly and be cautious around schools and crossings.
- Limit any distractions, remove headphones, put away cellphones and other distractions when crossing the street, make eye contact with drivers and pedestrians when in crossing zones.
- Look for signage and adhere to school zone areas identified as 'no parking' or 'no stopping.'
- Follow all instructions from the crossing guards, always wait for the crossing guard to stop traffic and indicate that it is safe to cross.

The City's crossing guards and parking enforcement officers work every day to uphold pedestrian and vehicle safety. We ask that you do your part to help make sure everyone stays safe.
